

What is Digital Literacy

Digital literacy is the ability to use digital devices, apps, and the internet effectively and safely. It includes finding information, communicating online, and using technology responsibly.

Professional Online Presence

Maintain a clean and professional profile on platforms like LinkedIn and GitHub. Use proper language, share achievements, and avoid posting inappropriate content online.

Useful Digital Tools for Students

Students can use tools like Google Docs for assignments, Canva for presentations, GitHub for projects, and Zoom/Google Meet for online classes. These tools help improve productivity and collaboration.
